RE: AMENDMENT APPLICATION FOR TIC CERTIFICATE No. 022431726

TAYLOR WINCH (TANZANIA) LTD (TWT) was issued certificate of incentive number **022431726** where the investment project has been indicated as **Coffee Farming**, we would however request that this is amended to read, **Coffee Processing and warehousing**.

So far TWT has acquired a warehouse from Maviga Tanzania Limited (MTL) and relevant taxes paid including transfer fees to the mkuranga District.

We have attached the below documents to support the changes requested.

- Certificate of Incentive
- Brela Search
- Revised Business Plan

Yours Sincerely,

Director
