Dear Sir/Madam,

**RE: APPLICATION FOR CERTIFICATE OF INCENTIVE FOR NAILS AND ROOFING SHEETS PROJECT**

Owing the heading above

We, RTA GROUP LIMITED hereby write to apply for an incentive certificate for our upcoming project involving the manufacturing of nails and roofing sheets. Having carefully reviewed the requirements and benefits of the incentive program offered by the Trade and Investment Commission (TIC), I am confident that my project meets the criteria outlined and would greatly benefit from the support provided.

These products are essential components in the construction industry, and there is a growing demand for high-quality, locally produced materials. By investing in this project, not only do we foresee significant economic benefits for the region, but also the creation of employment opportunities and the promotion of sustainable development.

Enclosed with this letter are the relevant documents detailing the project proposal, including a comprehensive business plan, financial projections, and market analysis. We are also available to provide any additional information or clarification required to process our application.

Yours Truly
