Subject: Application for Facility Investment

Dear Sir/Madam,

I am writing to formally apply for the opportunity to invest in a facility under the Tanzania Investment Centre (TIC). With 20 years of experience in the real estate and logistics sectors, I am keen to contribute to the growth and development of Tanzania's economy through strategic investment in warehousing, logistics, and related infrastructure.

My proposed investment involves the construction of a state-of-the-art warehousing facility, the development of a transportation fleet, and the establishment of a textile recycling plant. This facility will play a crucial role in creating jobs, providing essential storage solutions, and facilitating efficient transportation for businesses across the region.

I believe that this investment aligns with TIC's objectives of fostering sustainable economic growth and attracting high-quality investments to Tanzania. My team and I are fully committed to adhering to all regulatory requirements and ensuring that the facility operates in an environmentally responsible manner.

Enclosed with this letter are my business plan, financial projections, and other necessary documents for your review. I would greatly appreciate the opportunity to discuss this investment further and explore how we can collaborate to bring this project to fruition.

Thank you for considering my application. I look forward to your positive response and am available for a meeting at your earliest convenience. Please feel free to contact me at 0787 777 010 or via email at aliabids@gmail.com should you require any additional information.

Yours faithfully,

AliAbid Razahussein Mamdani
