Dar es Salaam,

Dear Sir,

RE: EXTENTION OF PROJECT IMPLENTATION PERIOD UNDER CERTIFICATE OF INCENTIVES NO 022348.

Mbaza Enterprises Company Limited is a registered company under Tanzania Investment Center (TIC) with certificate of incentive number 022348 granted on 12th June 2019.

We were registered with aim of investing in wholesale of food, food products and agro processing, a list of capital and deemed capital goods was submitted and exemption of customs duties approved by Tanzania Revenue Authority (TRA) a letter with reference No.CA 519/659/01/6326 of 01st April,2021as required for project implementation.

However, due to outbreak pandemic (Corona Virus) we had business challenges and our transport and manufacture also had the same challenges due to pandemic, our project did not take off. We have reorganized and assessed current business environment, now we are in position to continue with implementation of the project. Utilization of incentives granted to investors under TIC is critical to success of our project therefore we are requesting three years extension of project implementation period to February 2027. We need adequate time for utilization of granted incentives for the project because we did not utilize any so far.

Please find copies of our TIC Certificate, Progress Report and TRA approved list of exempted capital goods for your reference.

Thank you for your cooperation.

Yours sincerely,

.....
Akwilina William Mbaza,
MANAGING DIRECTOR.
