Dear sir/madame

RE: **REQUEST OF CHANGE OF THE COMPANY'S TIC ACCOUNT  
CREDITONALS**

With reference above,

We KUMI TANZANIA INDUSTRIAL COMPANY LIMITED that is registered under Tanzania Investment Centre with a certificate of incentives of No. 043054. That deals in manufacturing of safety gears.

We humbly write requesting your good office to guard us in getting the old account credentials that were used in applying for the first Certificate of Incentives using the username or email of [Kumi@fi-cy.com](mailto:Kumi@fi-cy.com) of which we no longer have accessibility to right now due to not having the password.

The company has resorted to creating another email which is being used in all company dealings, [zoenamibia@gmail.com](mailto:zoenamibia@gmail.com). And as for now wants to make some amendments in the certificate.

We humbly request that you grant us a way of either accessing the old account or getting a way of us amending the certificate using the new email. And we company will be gratefully once our request is taken into consideration.

Yours sincerely

.....  
NONG WENZHANG
