Dear Sir/Madam,

RE: REQUEST FOR AMMENDMENT OF CANUCK CO. LTD CERTIFICATE OF INCETIVE NO. 0224103544 TO EXTEND PROJECT IMPLEMENTATION PERIOD AND OPERATIVE DATE TO ANOTHER 1 YEAR FROM THIS APPLICATION DATE.

Reference is made to the above caption,

Canuck Company Limited has a mine work site with a mining license no. 632/2020 which is located at Magung'humwa Village, Mwakata Ward in Msalala District.

We have just observed that Item No 10 and 11 of the second page of the Certificate of Incentive provides for Project Implementation period from 7 May, 2020 to 7 April, 2023 and Operative date 7 May 2023.

Therefore we would like to categorically confirm that CANUCK CO. LTD has decided to apply for amendments on the TIC Certificate no. **0224103544** to extend Project Implementation period and Operative date to another 1 year from the date of acceptance of our request.

The grant of 1 year extension period will enable us to have all our pending projects of importation of mining working tools for CIP Construction, land valuation and compensation be accomplished.

We look forward to your cooperation.

Yours faithfully,

David Deogratus
Assist. General Manager
