We, **WANHE TIANYI REAL ESTATE INVESTMENT COMPANY LIMITED**, holders of TIC Certificate of Registration No. **2024112315**, write to formally request an amendment to our certificate to reflect the following changes:

1. Inclusion of Landed Property Details

We are in the process of acquiring a landed property situated at Plot No. 10, Block G, Title No. 85227-DLR, located at NCC Link, Dodoma City for purpose of Hotel development. We kindly request that this property be included in our TIC certificate as part of our investment portfolio.

2. Change of Business Activity

We intend to update our business activity to reflect our new focus, which is: "Developing and Operating Serviced Apartments and Hotels". At present, we have not commenced the project as we are in the process of finalizing the transfer of the land. The project initiation will proceed thereafter, and as such, we do not have any progress report to submit at this stage.

We kindly request your esteemed office to make these amendments to ensure that our TIC certificate aligns with our current plans and operations.

Should you require any additional information or documentation to process these changes, please do not hesitate to contact us.

Thank you for your support and cooperation.

Yours faithfully,

.....
