The Director General
Tanzania Investment Centre (TIC)
P.O. Box 938,
Dar es Salaam, Tanzania
Dear Sir/Madam,

Re: Application for Registration with the Tanzania Investment Centre (TIC)

Masr Trading and Industries Limited is pleased to submit this application for registration with the Tanzania Investment Centre (TIC). Our company has embarked on a significant investment project in Msua-Mperamumbi Village, Kwala Ward, Kibaha District, block B PLOTS NUMBERS 2,3,56,8,10 aimed at establishing a Feedlot and Zero-Grazing Project, which aims to revolutionize livestock farming in Kibaha by improving productivity, sustainability, and economic returns for stakeholders. To achieve this, we have already acquired land from Msua-Mperamumbi Village and have prepared a town plan under drawing number: 19/KBA/401/042024.

We believe that registration with TIC will facilitate the project's successful implementation, allowing us to benefit from the support and incentives provided under the Tanzanian Investment Act. Our long-term goal is to create a sustainable business that will foster economic growth, create jobs, and enhance Tanzania's export capacity.

Please find enclosed the required documentation for your review. We are prepared to provide any additional information or clarification to expedite the registration process. For further communication with us follow the following information
