**Dear Sir/Madam**

**RE: AMENDMENT OF CERTIFICATE OF INCENTIVE NO. 202482072**

Refer to the caption above,

We M/s AWA-BULLION METAL REFINERY LIMITED are taking this opportunity to request the amendment of our certificate of incentive number 202482072 which was issued on 06 August, 2024. At first when we were applying for the certificate of incentive our land wasn't surveyed so we placed our location to be MBUGANI CHUNYA-MBEYA. Now that our land has been surveyed we are requesting the amendment of our certificate on the location part to have the following coordinates (**PLOT NO 571, BLOCK A MBUGANI AREA CHUNYA DISTRICT**) as requested by the ministry of land so as to have uniformity in the land form no.1 to facilitate the issuance of the derivative right.

It's our hope that our request will be acted upon accordingly and the certificate of incentive reissued so that we can finish up this process and continue with the establishment of the project upon issuance of the derivative right.

Yours cordially

WALEED MOHAMED SAIDAHMED BABIKER  
MANAGING DIRECTOR
