RE: CORRECTION OF EXTENDED TIC CERTIFICATE OF INCENTIVES No. 018196

KOM FOOD PRODUCTS COMPANY LIMITED is a privately owned company incorporated in Tanzania with Certificate of Incentives No.018193 dated 19 May 2023 is investing in rice, flour milling and packaging, the copy of TIC certificate of incentives is attached for your reference.

We applied for extension of TIC certificate for two years however; before collecting the new certificate, it has been discovered that the new issued certificate indicating **No. 018196 is not correct since that No. 018196 for beverage project not rice, flour milling and packaging so need to be corrected and read as Certificate No. 018193.**

The beverage Project with Certificate No, 018196 is waiting for your approval so once the approval is granted, we are reminding your good office to recheck so that it should not be confused with rice, flour milling and packaging.

Kindly you are requested to fast track our request since the deemed capital goods for both projects are on the way coming to Dar es Salaam
