#### 4. Project Financing Expenditure todate (USD)

	Foreign (USD)	Local (USD)	Total (USD)
Land and Buildings	0	86,349,656.97	86,349,656.97
Plant and machinery	0	22,944,494.40	22,944,494.40
Vehicles/Aircrafts	0	41,944,444.44	41,944,444.44
Furniture	0	345,087.00	345,087.00
Office equipment	0	259,259.26	259,259.26
Insurance Cover	0	117,000.00	117,000.00
Pre-operational expenses	0	444,444.44	444,444.44
Working sub-total capital	0	222,222,222.22	222,222,222.22
<b>Grand Total</b>	0	<b>374,626,608.74</b>	<b>374,626,608.74</b>

#### 5. Project Financing

Explain how the project is being financed e.g equity, loans, sources of loans, conditions etc. see table below:-

	Amount (USD)	Source Country (Tanzania)
Local equity	149,850,643.50	149,850,643.50
Local loans	224,775,965.24	224,775,965.24
Foreign equity		
Foreign Loans		
<b>Total Investment</b>	<b>374,626,608.74</b>	<b>374,626,608.74</b>

#### 6. Problems and Solutions

- Delay of imported machineries, Moto vehicle and related facilities for the implementation of the projects
- During the project implementation, the company failed to fully implement the project for the period provided due to lack of sufficient fund, which resulted in the postponement of several activities planned to be executed and therefore failed to complete the project as planned.
- .The Company also suffered the competition due to cancellation of many projects that are key for the sustainability of logistics and transportation sector.

Explain problems, which the management is encouraging in executing the project and the steps being taken to solve them

#### 7. Future Plans

Explain future plans for the next coming six months and planned financial commitments

- To purchase the following set complete set of steel structure and plates for tank shell, roof and bottom as construction materials (moulded bullet structure) with a capacity of 100Millions for petroleum and 200,000MT for LPG per sing entry, Machinery and equipment for both petroleum and LPG, 200 heavy petroleum trucks with a capacity 32-50MT, 200 Heavy trucks for LPG capacity 32-50MT, 50 Light trucks tanker, 20Managerial vehicles, 10 heavy Folk lift and other facilities..
- To invest more in the training and capacity building to Tanzanian drivers to carry out cross boarder assignment.
- To invest more on facilities for the LPG production and petroleum for transportation finished products to meet the ever growing of LPG and petroleum due to the nature of our country as a logistics hub to many SADC and EAC countries.

## **8. Recommendations and any other comments**

I recommend the regulatory authorities on simplification on the issuance of more incentives to the LPG and petroleum sector.
