REF: APPLICATION FOR NEW CERTIFICATE OF INCENTIVE

Dear TIC,

I am writing to express my interest in applying for the New Certificate of Incentive offered by the Tanzania Investment Center, as advertised. With a deep commitment to contributing to the economic growth and development of Tanzania, I am eager to leverage the incentives provided to support and expand my investment endeavors.

Having thoroughly researched the benefits of the New Certificate of Incentive, I am particularly impressed by the comprehensive range of incentives offered to attract and retain investors. The prospect of enjoying tax exemptions, duty-free importation of capital goods, and other investment-friendly policies aligns seamlessly with my business objectives.

I am currently engaged in manufacture of plastic pipes and I firmly believe that the incentives provided by the Tanzania Investment Center will significantly enhance the feasibility and success of my ventures. The economic potential of Tanzania and its strategic location make it an ideal environment for business growth, and I am eager to contribute to the country's prosperity.

I am confident that my investment aligns with the economic development goals of Tanzania, and I am committed to operating in compliance with all applicable regulations and standards. I welcome the opportunity to discuss my application further and address any questions or concerns you may have.

Thank you for considering my application. I look forward to the possibility of contributing to Tanzania's economic growth and development through this exciting investment opportunity.
