Dear Sir/Madam,

RE: APPLICATION FOR REGISTRATION WITH THE TANZANIA INVESTMENT CENTRE

I hope this letter finds you well. We, Yayo Mining Company Limited, hereby submit our application for registration with the Tanzania Investment Centre (TIC) pursuant to the provisions of the Tanzania Investment Act.

At a duly convened meeting of our Board of Directors on 02/09/2024, it was resolved that Yayo Mining Company Limited should proceed with the registration process in order to access the valuable services and incentives provided by TIC. These benefits, including tax incentives, assistance in land acquisition, and facilitation of licenses, align with our long-term strategic goals and will greatly support our ongoing and future business activities within the mining sector.

The resolution also authorizes our CEO, Mr. Martine Mashauri Amani, to act on behalf of the company in this process. He is empowered to prepare and submit the necessary application documents, liaise with your office, and fulfill any other requirements necessary for the successful registration of Yayo Mining Company Limited.

Please find attached a certified copy of the board resolution passed on 02/09/2024, along with other relevant supporting documents.

We kindly request that you consider this application and provide any further instructions or requirements that may be necessary to complete the registration process. We look forward to your favorable consideration of our application and to working with TIC in achieving our investment objectives.

Thank you for your attention to this matter. Please do not hesitate to contact us should you require further information.

Yours sincerely,
