Dear Sir/Madam,

**Subject: Request to Amend TIC Certificate No: 202441848 Subsector for Azam Media Teleport Kibaha Project.**

I am writing on behalf of Azam Media Limited to extend our sincere gratitude to the Tanzania Investment Centre for granting us the TIC Certificate No: 202441848 on the 30<sup>th</sup> April, 2024 for our project, Azam Media Teleport Kibaha. This recognition is a significant milestone for us, and it reaffirms our commitment to contributing to the media landscape in Tanzania.

When making our application for the Certificate of Incentive, due to a limitation on the TIC's online registration platform, we were unable to select "Media & Broadcasting Infrastructure" as the subsector for our project because it was not available in the dropdown options. Consequently, we kindly request an amendment to our certificate to accurately reflect this subsector, aligning it with our project's objectives and activities.

Thank you once again for your support and understanding. We look forward to continuing our collaboration with TIC to drive investment and development in Tanzania.

Yours truly,

For Azam Media Limited

.....
