Executive Director
Tanzania Investment Center
P. O. Box 938
Dar – es – Salaam,

Dear Sir/Madam,

RE: REQUEST TO AMEND AND EXTEND OUR TIC CERTIFICATE NO.2020656

Kindly refer to the above captioned subject matter

Kamal Refinery Limited is a company which was registered on August 2007 in Tanzania under Certificate of Incorporation No. 61662, We are situated at Zinga area Bagamoyo, Pwani region. The company aims at refining used oil to obtain Base oil. We have been working hard to make sure we start operations as soon as possible. With this current scenario we need to add new machinery which will facilitate the smooth process.

We are writing this letter to request amendment on the shareholders and extension of Tic certificate no. 2020656. To begin with amendment, there are some changes on the Shareholders on which Kents International is no longer a shareholder in Kamal Refinery limited however we have SF group as the new shareholder. **Please see the Brella search attached for your reference.**

Additionally, we are requesting for extension of our Tic License for at least 2 years as the implementation period for the last certificate has expired on **May 2023**. The purpose for requesting the TIC certificate extension is to install additional advanced machinery for the existing factory. We have one consignment which is already here and we are expecting more consignments in near future.

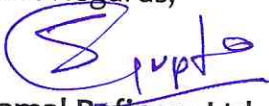

We have invested substantial funds and efforts in this project. We are therefore requesting your good office to consider this matter and help us extend our Tic certificates so as we can be able to enjoy the benefits that comes with the Tic certificate.

Your kind response in this matter will be highly appreciated.

Thank You,

Best Regards,

Kamal Refinery Ltd

Director.
