RE: Application for New Certificate of Incentives

Dear Sir,

We, Indian Mining Limited, respectfully submit this letter to formally apply for a Certificate of Incentives for our gold processing project located in Chunya, Mbeya. Our company is committed to establishing a state-of-the-art gold processing facility that will contribute to Tanzania's economic growth by creating employment, generating foreign exchange, and facilitating the transfer of technology within the mining sector.

Our project, which requires an estimated investment of USD 500,000, is strategically located in a region rich in mineral resources, allowing us to efficiently and sustainably contribute to the Tanzanian mining industry. The project aligns with national objectives of maximizing the value derived from the country's mineral wealth while adhering to environmental and regulatory standards.

Enclosed with this application, we have provided all required documentation, including our company's Certificate of Incorporation, TIN Certificate, Memorandum and Articles of Association (MEMART). We look forward to the Tanzania Investment Centre's favorable consideration of our application, which will enable us to effectively contribute to Tanzania's economic and social development.

Should you need any further information or clarification, please do not hesitate to contact us. We are available at your convenience to discuss any aspect of our project or application.

Thank you for your time and consideration.

Yours faithfully,
Rashpal Singh
