DAR ES SALAAM.

Dear Sir/Madam;

RE: APPLICATION FOR CERTIFICATE OF INCENTIVES.

The heading above is highly considered.

We are writing to apply for a certificate of incentives from TIC. Our investment deals with cultivation of grapes, processing of bulk wine and fine bottled wine. The industry started as a sole proprietor named Beatrice Ajex Temu, TRADED AS BEATRICE WINERY AND AGRO-BUSINESS CO. With effect from 21st March 2023, we decided to open the limited company named BEATRICE WINERY AND AGRO BUSINESS CO.LTD(BEWACO), Registration number **164503461** With two directors, Beatrice Ajex Temu and Edward John Kessy. The industry is located at Mazengo Street, Zuzu ward in Dodoma City.

The main Purpose of this application is for our business projects to be recognized by TIC consequently the investment enjoys the opportunities offered for local investors. Some of our needs is to enable importation of the machines for production of wine, purchase of stainless-steel tanks for storage of wine as well as trucks for transportation. Our investment supports value chain that benefit many people including farmers (we are buying grapes direct from local farmers), labor creation, distributors and wine consumers as a result generates taxable income that contributes to economic development of the country.

It is our hope that our application will be considered and approved to be granted a certificate of incentives for the growth of our investment.

Sincerely yours

Beatrice Ajex Temu
