Dear Sir,

RE: APPLICATION FOR TIC CERTIFICATE

As per the heading above, AltitudeX Limited is a Tanzanian Company registered in Tanzania with a certificate of incorporation number 166467578. We are writing to apply for an Investment Certificate to attract investment and partnership.

It is a digital transformation company that has harnessed the power of drones and satellite data to drive innovation and deliver transformative solutions across various industries. By leveraging drone technology for data collection, we have been able to gather valuable insights and provide clients with advanced analytics and decision-making capabilities.

We believe that TIC will consider our request.

Yours' sincerely,
