RE: APPLICATION FOR AMENDMENT OF THE CERTIFICATE OF INCENTIVES REGARDING THE CHANGE OF LOCATION OF THE PROJECT

We are making an application to your good office for the amendment of our company's certificate of Incentives issued by your office due to the change on the location of our project. We would like to inform your esteem office that we have decided to change the location of our registered project because of several challenges we are facing in the area from different neighbours in the area. A number of neighbours are resisting and challenging the carrying out of our project of Industrial park in the area due to several reasons well known to them.

Therefore, because of the challenges our company is facing as it has been indicated above and which may jeopardize the development of our project, our company has decided to relocate our project to other areas. The company will move from the current location which is PLOT NO. 1 & 2, BLOCK Q, Vikindu area, Mkuranga District, Pwani Region. The new locations which the company is intending to restart our project are PLOT NO. 381, 382/1, 382/2 and 383, BLOCK D, Salasala Area, Kinondoni District, Dar es Salaam with the size of 9.010.00 Square and PLOT NO. 2, BLOCK J, Kinyerezi Area, Ilala District, Dar es Salaam Region with the size of 33,270.00 Square Metres in which 3000 Square Metres will be used for the Project.

Together with this letter we have attached the Title Certificates of the two new areas areas in which our project will be relocated for the project to start.
