Dear Sir/Madam,

I am writing to formally apply for the registration of our avocado farm project with the Tanzania Investment Centre (TIC), as per the requirements stipulated by the Investment Act of Tanzania.

We have conducted extensive research and analysis, and identified avocado farming as a lucrative investment opportunity with substantial potential for growth and profitability.

Our proposed avocado farm project aims to operate a modern avocado plantation utilizing sustainable farming practices, introduce advanced irrigation systems, and implement efficient management techniques to ensure optimal productivity and quality yield.

We are fully committed to adhering to all regulatory requirements and standards set forth by the Tanzania Investment Centre and other relevant authorities. In line with this

commitment, we have ensured that our project proposal complies with the necessary criteria and documentation outlined by TIC.

Enclosed herewith, please find the following documents required for the registration process:

- i. Business Plan
- ii. Board resolution.
- iii. Proof of Land Ownership
- iv. Bank statement.
- v. Legal Compliance and registration.

Thank you for considering our application for registration with the Tanzania Investment Centre. We are confident that our avocado farm project will not only generate significant economic benefits but also contribute to the sustainable development of the agricultural sector in Tanzania.

We look forward to the opportunity to discuss our proposal further and to receiving your favorable response.

Yours sincerely,

Andrew Masunga Maloyeta
