The Executive Director,
Tanzania Investment Center (TIC),
1st Floor,
Golden Jubilee Tower,
Ohio Street,
Dares Salaam, Tanzania.

Dear Sir/Madam,

Application for Tanzania Investment Center Certificate of Incentives

I am writing to formally apply for a Certificate of Incentives from the Tanzania Investment Center (TIC). I am Deva Suranga Pradeep, Factory manager of LTL Transformers Tanzania (pvt) ltd, a transformer manufacturing company. Our company is committed to establish a new transformer manufacturing factory in Tanzania contributing to economic growth, creating employment opportunities, ensuring reliable power system via introducing good quality transformers to the system promoting new technology transformation.

We believe that obtaining a Certificate of Incentives from the Tanzania Investment Center will significantly contribute to our ability to achieve our business objectives and drive sustainable growth in Tanzania. The incentives provided under the Certificate of Incentives program, including but not limited to tax exemptions, import duty waivers and skill migration will greatly enhance our competitiveness and support our investment initiatives in the country.

As part of our application, we have enclosed the required documents for your review and consideration. We assure you of our full compliance with all applicable laws, regulations, and requirements of the Tanzanian government and the Tanzania Investment Center. Our commitment to responsible and sustainable business practices aligns with the vision and objectives of the Tanzanian government to promote investment, economic development, and job creation in the country.

We are eager to contribute to Tanzania's development agenda and are confident that obtaining a Certificate of Incentives will enable us to make a meaningful and positive impact in the local economy.

Thank you for considering our application. We look forward to the opportunity to further discuss our investment plans and objectives with you in person.

Yours sincerely,

Deva Suranga Pradeep K,

Factory Manager,

LTL Transformers Tanzania (pvt) ltd.
