RE: APPLICATION FOR INCENTIVE CERTIFICATE

The above subject refers,

We are applying for incentive certificate for the purpose of purchasing furniture mashines and building blocks

For your information, we do operate three business units all under one roof serving the construction sector. They include building hardware outlet, Timber and furniture trading and concrete blocks manufacturing all based in Arusha Municipality. We will appreciate to have your support in this regards at your earliest convenience. For further details please find enclosed a copy of business plan to this effect which also includes Audited Financial statements.
