Dear Sir/Madam,

REF: APPLICATION FOR CERTIFICATE OF INCENTIVES FOR NEW FACTORY DEVELOPMENT.

We would like to request for a new Certificate of Incentives for Tanfoam Limited for the development of a new factory to expanding our production facilities to cater for the increasing demand of our products. The land for the expansion project has already been acquired in Arusha and plans are underway for construction of the new facility.

We are one of the largest manufacturers of mattresses in the country, having warehouses and distribution networks across the country providing direct employment to nearly 300 people. We need experienced and qualified people for the expansion as well, both local as well as expatriates in order to meet our expectations.

We had recently been visited by the Minister of Investment, Industry and Trade to see our current facilities and operations. They were impressed by our progress and highly encouraged us to expand our operations and increase volume.

Please find enclosed application with all necessary documents for issuance of the Certificate of Incentives.

Thanking you.

Yours faithfully,
For TANFOAM LIMITED
