Dear Sir,

RE: EXPANSION OF ROAD TRANSPORTATION FLEET

The above heading is concerned.

We were granted a certificate of incentive no. 070994 in 2013. The implementation period granted by the certificate came to an end. We are grateful for the cooperation and assistance we were afforded by your esteemed office during the implementation period.

The company now intends to expand and to increase fleet size. Therefore, we are requesting incentives as provided by the laws of the country.

Accordingly, with this letter, we are asking for a certificate of incentive in accordance with the law. We have attached all necessary documents for the consideration of our request.
