We are kindly requesting your office to grant us an extension to our project implementation period, as well as update your records with the correct address of our business.

All relevant documents have been uploaded as instructed. List of documents uploaded are specified below:

3. BRELA official search
4. Progress Report
5. Pictures of the project

We greatly appreciate your guidance and assistance with this matter and hope the extension can be granted swiftly.

Yours sincerely

  
Director
