Dear Sir,

RE: APPLICATION FOR AMMENDMENT OF TIC CERTIFICATE OF INCENTIVES

Refer the heading above, we hold TIC Certificate of of incentive no. 043028 of 19th April, 2016 with the objective of manufacturing plastics products and other related products. The project has been established since November 2016 located at plot no 42 Mbagala Industrial Area Temeke Dar es Salaam.

The company decide to secure new plot which will be used for collection of used plastic material which later will be transported to the factory for recycling processes as main raw materials are used plastics products.

Therefore I attached the survey plan for amendment of TIC Certificate and later acquire derivative right.

Thank you for your kind consideration

Yours Sincerely,

.....
