To Whom It May Concern:

**RE: APPLICATION FOR THE TIC PROGRAM UNDER CANADIAN BIOTECH LIMITED**

We, Canadian Biotech Limited, are a company incorporated in Tanzania with the aim of establishing a rapid diagnostic test manufacturing facility in Dar es Salaam. Below, we provide the requested details regarding our organization and our investment plans in Tanzania.

**1. Company Registration and Documentation**

Canadian Biotech Limited is duly registered in Tanzania, holding all relevant certifications and documentation, including a valid Tax Identification Number (TIN) and a certificate of incorporation under Tanzanian law. We are compliant with all local regulatory requirements.

**2. Ownership Status**

Canadian Biotech Limited is an international partnership with the following ownership structure:

- McHadeRecoveraid Distribution Corp, a company based in British Columbia, Canada, holds 85% of the shares.
- Dr. Harrison Ofiyai, a Canadian citizen based in British Columbia, holds 5% of the shares.
- Baresh Company Limited, based in Tanzania, holds the remaining 10%.

**3. Business Activities**

Our company is focused on the production and distribution of high-quality rapid diagnostic tests. These tests will be manufactured locally in Dar es Salaam, with the

aim of meeting local and regional healthcare needs, especially in the fields of infectious disease and general healthcare diagnostics.

#### **4. Scope of Operations**

Canadian Biotech Limited is in the process of establishing a state-of-the-art manufacturing facility in Dar es Salaam, with significant capital investment sourced predominantly from Canada and the United States. 90% of the total investment is being provided by these international sources, and we have already made substantial investments in the construction of the facility and the procurement of machinery. Our operations will enhance local industrial capacity and create employment opportunities while contributing to Tanzania's growing healthcare manufacturing sector.

We look forward to being a part of Tanzania's development in the healthcare industry and contributing to the country's economic growth. We hope that our application for participation in the TIC program will be viewed favorably, and we are committed to complying with all program requirements.

Thank you for your consideration.

Yours sincerely,

**Meisam Mulla**  
Managing Director  
Canadian Biotech Limited
