Dear Sir/Madam,

RE: Request for Re-Issuance of Certificate of incentives.

I hope this letter finds you well. I am writing on behalf of GREAT KIGERA CO LTD, a registered entity with the Tanzania Investment Centre (TIC) under certificate of incentives number **20217476**. In 2021, we initiated a project that unfortunately faced unforeseen challenges related to land ownership the crisis has been dragging for a year. As a result, we were unable to proceed with the project, we decided to abandon the land registered with TIC and acquire the new one despite our initial efforts.

During this period, we maintained regular communication with the TIC officer assigned to our case. We provided updates on the project's progress and the difficulties we encountered. Despite our best intentions, circumstances beyond our control prevented us from moving forward. In our new land we demonstrate our commitment to utilizing the land effectively, we have successfully established a herd of 300 Boran cattle on the new land, three houses have been constructed on the farm premises, Concrete poles have been erected around the farm to enhance security, we have installed two water wells specifically for the cattle and cow stables.

We kindly request that the TIC consider re-issuing our certificate of incentive for a period of five years, in accordance with the provisions of the new investment act. Our commitment to contributing to Tanzania's economic growth remains steadfast, and we believe that a renewed certificate will enable us to resume our investment activities.

Thank you for your attention to this matter. We appreciate your understanding and cooperation.

Sincerely,

EJAGA JOSEPH MAHAMBWA

DIRECTOR
