RE: APPLICATION FOR MEMBERSHIP TO TANZANIA INVESTMENT CENTER (TIC)

We, Masailand Coffee Lodge Limited, are writing to formally apply for membership to the Tanzania Investment Center (TIC). As a hospitality company committed to contributing to the growth and development of Tanzania's economy, we believe that membership with TIC will provide us with invaluable resources and opportunities to further our business objectives.

Masailand Coffee Lodge Limited is a local registered entity engaged in the tourism hotels and lodges business. We are driven with the highest standards of hospitality quality, sustainability, and ethical business practices. With a vision to expand our chain of hotel and lodges and enhance our contributions to Tanzania's hospitality industry, we recognize the importance of aligning ourselves with esteemed organizations such as TIC.

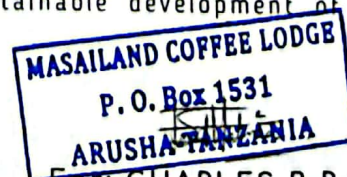

By becoming a member of TIC, we aim to leverage the diverse range of services and support offered by the center to facilitate our growth trajectory. We are particularly interested in leveraging opportunities regarding investment available for local investors, accessing information regarding investment and regulatory frameworks, and market insights that will enable us to make informed decisions and optimize our business strategies.

Furthermore, we are eager to actively participate in TIC's initiatives, events, and networking platforms to foster collaborations, exchange knowledge, and contribute to the collective advancement of Tanzania's investment landscape.

Enclosed with this letter are the requisite documents and fees as per the membership application guidelines. We kindly request you to consider our application favorably and expedite the process.

Thank you for considering our request. We look forward to the opportunity to collaborate with TIC and contribute to the sustainable development of Tanzania's economy.

Yours sincerely,

For: CHARLES B.R PILI
Founder & Company Director
