REF: APPLICATION FOR REGISTRATION OF THE TRANSPORTATION PROJECT FOR OBTAINING CERTIFICATE OF INCENTIVES.

Please refer to the heading captioned above.

I hereby submit our request for the project registration at Tanzania Investment Centre (TIC) for your review and approval. The project is expected to boost transportation sector performance in the country and creates employment opportunities for the citizens of the country. Hence, this project worth **TZS 12,650,000,000** as initial investment costs from equity financing, and additional investment, from financial institutions, is also expected to be injected.

In the view of the above, we would like to take this opportunity to request your good office to grant our application so as to facilitate the implementation of the said project. This application is supported with relevant documents as per your application requirements; these documents attached together with this letter for your perusal and actions.

I beg to submit.
