**Re: Application for Membership**

Dear Members of the Committee,

I am writing to express our interest in becoming a member of the Tanzania Investment Corporation on behalf of **Tosh Logistics**, a company dedicated to real estate development and Logistics. With a strong commitment to sustainable practices and community-focused projects, we believe that our goals align with the Centres's mission of promoting investment and economic growth in Tanzania.

At Tosh Logistics, we have successfully undertaken various projects that not only enhance infrastructure but also contribute positively to local economies. Our expertise in real estate development has enabled us to create innovative and sustainable solutions that cater to the needs of our community.

Joining the Tanzania Investment Centre would provide us with valuable opportunities to collaborate with other stakeholders, share insights, and further our impact in the real estate sector. We are eager to contribute to and learn from your initiatives, ultimately driving mutual growth.
