Dear Sir,

RE: REQUEST FOR EXTENSION OF TIME FOR CERTIFICATE OF INCENTIVES

Please refer the above captioned matter.

It is a pleasure to introduce to you Spice Up Limited. A company registration under the laws of Tanzania with registration number 137528 with certificate of incentives number 20212294.

We are writing to formally request an extension of time for our Certificate of Incentives, that has expired on 9th February 2024. Due to delays in project development, we are unable to meet the current timeline set on the certificate of incentives

We believe that an extension of 2 years would allow us to complete necessary project milestones, fulfil requirements. We are committed to meeting all criteria associated with the incentives and appreciate your understanding of our situation.

We look forward to continuing our collaboration. Please let us know if you require any additional information or documentation to support our request.

Thank you for considering our application. I look forward to your positive response.

Yours sincerely,

.....
