FUCHS LUBRICANTS TANZANIA LIMITED

21/08/2025

The Director General,
Tanzania Investment Centre (TIC),
Tanzania Special Economic Zones Authority (TISEZA),
Dar es Salaam, Tanzania.

Dear Sir/Madam,

RE: APPLICATION FOR CERTIFICATE OF INCENTIVES FOR LUBRICANT PROJECT

I hereby submit our application for a Certificate of Incentives for our lubricant business under the SEZ framework.

FUCHS Lubricants Tanzania Limited is engaged in the **import, export, local sale, and blending of lubricants**, The project aims to support local industrial growth, reduce dependence on fully imported lubricants, and create employment opportunities.

We believe our investment aligns with national goals and qualifies for incentives under TISEZA regulations.

Please find attached the necessary documents, including the completed application form, project business plan, company registration documents, TIN certificate, lease agreement, and other supporting materials as required.

If you need any additional information, please feel free to contact any of the persons listed below;
