Dear Sir/Madam,

RE: APPLICATION FOR CERTIFICATE OF INCENTIVES

We, SHUANGBAO HARDWARE PRODUCTS (T) COMPANY LIMITED, hereby submit our application for the Certificate of Incentives in accordance with the Tanzania Investment Act, 1997.

Our company is duly registered in the United Republic of Tanzania and is engaged in the manufacturing of common iron wire nails and related hardware products. The project involves establishment of a modern manufacturing facility with advanced machinery, creating employment opportunities for Tanzanians, promoting import substitution, and contributing to industrial development in alignment with the Tanzania Industrialization Policy and Vision 2025.

The total investment value of the project qualifies for incentives under TIC, including capital goods importation, duty reliefs, and other facilitation services. We commit to complying with all relevant legal, regulatory, and environmental requirements and to contributing to national economic growth through production, employment, tax compliance, and export potential.

We kindly request the Tanzania Investment Centre to consider and approve our application for the Certificate of Incentives.

We appreciate your support and look forward to a favorable response.

Yours faithfully,

Caitiao Zou
