RE: APPLICATION FOR CERTIFICATE OF PROJECT EXPANSION – PROJECT NAME: TENTED CAMPS  
AND BALLOON

Dear Sir/Madam,

We kindly submit this application requesting an expansion to our Certificate of Incentives for the project titled “Tented Camps and Balloon.”

Originally, the project was approved to operate at the following location:

1. Old Location: Tabora B1, Serengeti–Mara
2. GPS Coordinates: 36M 0707897, UTM 9803470

However, due to operational requirements and site planning improvements, we wish to relocate the project to a new area within Serengeti–Mara as indicated below:

1. New Location: Togoro Area, Serengeti–Mara
2. GPS Coordinates: 36M 0729200, UTM 9759150

We respectfully request TIC to Expand the Certificate of Incentives to reflect this new project location. All other project details, including ownership and scope of activities, remain unchanged.

We are committed to fully complying with TIC guidelines and any additional requirements necessary to complete this amendment.

Attached herewith are all relevant supporting documents for your review and further action.

We kindly look forward to your positive consideration.

Yours faithfully,

Ranjit Singh  
Director
