Independent Auditors Report.

To the shareholders of LN FUTURE BUILDING MATERIALS CO.LTD

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of LN FUTURE BUILDING MATERIALS CO.LTD set out on **pages 2 to 13**, which comprise the Statement of Financial Position as at **31st December, 2021**, and the statement of Profit or Loss and Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies.

In our opinion, the Financial Statements present fairly, in all material respects, the financial position of LN FUTURE BUILDING MATERIALS CO.LTD as at **31st December, 2021**, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards and the requirements of the Companies Act 2002 of Tanzania.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants independence requirements applicable to performing audits of financial statements in Tanzania, United Republic of. We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and in accordance with other ethical requirements applicable to performing audits in Tanzania, United Republic of. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Directors are responsible for the other information. The other information comprises the Directors' Report as required by the Companies Act 2002 of Tanzania, United Republic of Tanzania, which we obtained prior to the date of this report. Other information does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the Financial Statements in accordance with International Financial Reporting Standards and the requirements of the Companies Act 2002, and for such internal control as the directors determine is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Company's Financial Reporting Process.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they

could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

This report, including the opinion, has been prepared for, and only for, the company's members as a body in accordance with the companies Act, 2002 of Tanzania and for no other purposes.

As required by the Companies Act, 2002 of Tanzania we report to you, based on our audit, that:

- We have obtained the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- In our opinion proper books of account have been kept by the company, so far as appears from our examination of those books;
- The company's statement of financial position and the statement of comprehensive income and statement of profit or loss are in agreement with the books of account;
- The Directors' report is consistent with the financial statement; and
- Information specified by law regarding Directors' remuneration and transactions with the company is disclosed.

NOTES TO THE FINANCIAL STATEMENTS

1 SIGNIFICANCE OF ACCOUNTING POLICIES

General Information

The Principal activity of the Company is Manufacturing & Selling of Aluminium Profile.

2. Basis of preparation and accounting policies

These financial statements have been prepared in accordance with the International financial Reporting Standards for Small and Medium -sized entities Issued by the International Accounting standards board, They are prepared in Currency units of Tanzanian Shillings

a Accounting Convention

As in the previous years the financial statement have been prepared under the historical cost convention. A summary of more important accounting policies is set out below.

b Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation . continuing existence and usage of fixed assets is certified by the Management.

c Depreciation

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives on reducing installment basis,

The following annual rates are used for this purpose

Motor Vehicle	37.5% p.a
Furniture & Fixtures	10% p.a
Machinery & Equipment	10% p.a

If there is an indication that there has been a significant change in depreciation rate, useful life,or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

d Inventories.

Inventories are stated at the lower of cost and selling price less costs to complete and sell. Cost is Calculated using first in, first out (FIFO Method)

e Trade and other receivables

Most sales are made on the basis of normal credit terms, and the receivables do not bear interest.

f Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest.

Trade Payables denominated in a foreign currency are translated into Tanzania Shillings

at Reporting date Foreign Exchange gains or losses are included in other income .

g Bank loans and overdrafts

Interest expense is recognised on the basis of the effective interest method and is

included in finance costs.

2 REGROUPINGS

Previous years figures have been re-grouped/re-arranged whenever necessary so as to make them comparable with current year figures.
