Subject: Request for Amendment of Location and Address – Plots at Mtakuja, Kibaha Town Council

Dear Sir,

I hope this letter finds you well.

Reference is made to the above subject. During the process of obtaining the Environmental Impact Assessment (EIA) certificate for the development of our plots—specifically Plot Numbers 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 140, 141, and Plots 1012 and 1013 in Block A—located in Mtakuja, Kibaha Town Council, a query was raised concerning land use and development plans.

As outlined in the business plan previously submitted to your office, our investment aims to establish a production site and logistics hub consisting of:

-)] Three (3) pharmaceutical warehouses (located at Plot No 654, Block A Pangani)
-)] A production facility for medical reagents (located at Plot No 654, Block A Pangani)
-)] An office block (located at Plot No 654, Block A Pangani)
-)] Staff housing units (located at Plot No. 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 140, 141, and Plots 1012 and 1013 in Block A Mtakuja)

We would like to kindly request an amendment to the Certificate of Incentive No. **202321047**, specifically to clarify that the plots are designated **exclusively for residential use specified in the Title deed**, i.e., staff housing under this project.

Additionally, we request that the official address on the certificate be updated as follows:

Region: Pwani
District: Kibaha
Ward: Pangani
Street: Pangani
P.O. Box: 30224 Kibaha
Email: gerald.masuki@medeor.tz
Mobile: 0784 275955
Tel: 023 251 0352

action medeor International Healthcare
P.O. Box 30224 Kibaha, Pwani. Tanzania

We kindly seek your assistance in facilitating these amendments to reflect the accurate location and intended use of the plots, as well as our current contact information.

We appreciate your continued support and collaboration and look forward to your positive response.

Warm regards,

Gerald G. Masuki

Country Director
