RE: APPLICATION FOR AMENDMENT OF CERTIFICATE OF INCENTIVES.

Dear Sir,

Reference is made to the headings above.

Taifa Gas Tanzania Limited has a TIC Registration and a certificate of incentives number **022421041** of **03rd February 2023**, for establishing Gas packaging facilities and other LPG accessories, LPG Tanks and Cylinder Manufacturing Plant at **Plot no 121,125 and 126 Block M Misugusugu - Miomboni** area in Kibaha town Council.

The certificate of incentive was processed when the land title deeds from the ministry of lands were not yet issued, and therefore the certificate of incentive read the location of the project as **Visiga Farm measuring 20.22 Acres**.

With this letter we kindly request the amendment of the certificate of incentive location to be **Plot no 121,125 and 126 Block M Misugusugu - Miomboni** area in Kibaha town Council instead of Visiga Farm.

Copies of Title Deed-Derivative Right and the certificate of incentives are attached for your reference.

We thank you for your continued cooperation and look forward to your positive response.
