RE: APPLICATION FOR A CERTIFICATE OF INCENTIVES

Your Honour;

May it please you, kindly Refer to the above captioned matter.

The management of **FANIKISHA COMPANY LIMITED** sincerely takes this opportunity to congratulate the diligent team and work force of the Honorable President of the United Republic of Tanzania and **TISEZA** which targets to rapidly increase and raise the

economy in several sectors and efficiency provision of social services such as education, encouraging investors, in the manufacturing sectors

Our company Sprintarr Company Limited is already registered by BRELA and is expected to begin operating as soon we finish all the necessary registrations. The company has already established a stable environment to manufacture standard and electric appliances and devices. As a company we believe to start in Dar es salaam and later spread in other part of Tanzania, East Africa and Africa at large. We believe as far as Tanzania as concerned, Dar es salaam is highly populated than other regions and when it comes to East Africa Tanzania is still highly populated than, Uganda, Kenya, Rwanda, Burundi, and South Sudan. For that matter our company is strategically located since there is room for progress since there is market for its products and services.

Having the knowledge of the benefit of certificate of incentives Our institution is applying for a certificate of incentives at your reputable institution

in such regard we humbly submit this our letter with grounds best known to us

(1) Your honor we are planning to establish a state of art electrical manufacturing factory with the capacity of producing 1,000,000 units annually while targeting on the East and Central africa markets ,Once completed our project will employ more than 700 local employees therefore it will solve youth unemployment issues in the country furthermore other employees will be indirectly employed as sales persons by our agents who are distributed all over United Republic of Tanzania.

- (2) Domestically producing electrical equipment, we will enable the country to gain foreign currency since that we are planning to export in various countries such as Rwanda, Malawi, Mozambique, furthermore domestically produced goods will be cheaply sold to our local customers therefore will also contribute in reducing the high cost of living in the country
- (3) We will employ a good number of foreign experts who are tasked to train our local workers so that by 2027 we can have a good number of local experts who can run our manufacturing facilities and also expand the number of electrical professionals, furthermore the learning institution such as DIT,UDSM-COET,VETA will also benefit since that we will be recruiting interns from their institution
- (4) The major objectives of our company is to utilize the local available resources, with the discovery of copper(cu) In regions such as Dodoma and Lindi we are certain that we will maximumly utilize, and also boost the economy in the above-mentioned regions, since that they will have a stable market for their minerals.
- (5) We are entering into the market which has reputable competitors such as **EURO CABLES, MCL LIMITES, KILIMANJARO CABLES, MULTI CABLES, AFRICAB**, therefore we certificate of incentives so that we can establish a strong footing in the market
- (6) If we will be registered in TISEZA then we will be in a position to employ more experts who are trained, experienced, knowledgeable which in end will lead to

having a lot of knowledge local labor for the benefit of the Tanzania industrialization programme

(7) Therefore, it's our humble request that the project justification letter be taken in consideration and if it may please your good selves to proceed with the process of issuance of certificate of incentive so that we can initiate the production

WHEREFORE Therefore we kindly request your honorable office to grant us with a certificate of incentives

Thanking you, truly,

For: SPRINTARR COMPANY LIMITED
