Dear Sir/Madam,

RE: Clarification on Bank Statement Requirement

We, Prima Royal Lodges and Hotels Tanzania Ltd, recently registered under BRELA, would like to inform your esteemed office that our company is newly established and is in the process of setting up its financial operations.

As such, we currently do not have a bank statement to provide, since our corporate bank account has just been opened and no transactions have yet been carried out. We kindly request your understanding and consideration in this matter as we fulfill all other requirements for our registration and facilitation under TIC. We remain committed to cooperating fully with TIC in order to ensure compliance and smooth facilitation of our investment activities.

Sincerely,

Managing Director
