P.O. Box 9386,
Dar es Salaam, Tanzania

Dear Sir/Madam,

RE: APPLICATION FOR CERTIFICATE OF INCENTIVE FOR READY-MIX CONCRETE (RMC) PROJECT

We, Brightwave Construction Co. Limited, are writing to formally submit our application for a Certificate of Incentive for our Ready-Mix Concrete (RMC) project. This project will be situated at Buza Kwa Mama Kibonge in Temeke District, Dar es Salaam, and the land for the project is leased from Skywards Construction Co. Limited.

The total investment for the RMC project is expected to exceed TZS 3.4 billion, of which TZS 2.6 billion will be financed through a loan from NBC Bank, and the remaining amount will be provided as equity investment by the company. This investment will contribute significantly to the construction and infrastructure sector in Tanzania, offering high-quality concrete solutions for the growing demand in the construction industry.

The project will not only create job opportunities but also foster the development of local suppliers and contractors, supporting the Tanzanian government's industrialization objectives. We believe this project aligns with TIC's investment priorities, and we kindly request your office to review and approve the issuance of the Certificate of Incentive for this project.

Enclosed are the relevant project documents and additional information for your review.

We look forward to your favorable response.

Thank you for your time and consideration.

Yours faithfully,
for **Brightwave Construction Co. Ltd**

Eng. Sabry Abdallah Ahmed
Managing Director
