RE: REQUEST FOR CHANGE OF PROJECT LOCATION

We refer to our investment project registered with TIC under the name **Construction Materials** and certificate of incentives **number 202421655** previously located at **Block No. 10, Kilimanjaro Industrial Park**. We hereby write to request your kind approval for the change of our project location from the initial site to a new site situated at **Chekeni Mwasonga, Plot No. P61228**.

This change has been necessitated by the subdivision of the original title deed associated with the initial project location, which resulted in the issuance of a new land title for the updated site.

We kindly request that the necessary updates be made in your records to reflect the new project location. Please find enclosed all supporting documents including;

- The new land title deed,
- TIC Application Form,
- Previous TIC Certificate,
- Brela Official Search,
- Investment Progress Report,
- Pictures of the project,
- Resolution to Amend the TIC Certificate.

We remain committed to fulfilling all our investment obligations and continuing a productive collaboration with TIC and other relevant government agencies.

We thank you in advance for your cooperation and look forward to your favorable response.

Yours sincerely,
