Dear Sir/Madam

**RE: APPLICATION FOR REGISTRATION WITH THE TANZANIA INVESTMENT CENTRE
AND REQUEST FOR A CERTIFICATE OF INCENTIVES**

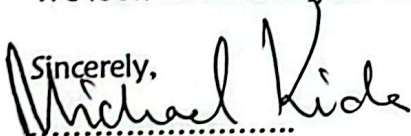

We refer to the subject above.

We are a company duly registered under the laws of Tanzania, engaged in the wholesale of various machinery and equipment, as well as the retail sale of new goods in specialized stores. Enclosed herewith are copies of our registration documents for your reference.

We are currently pursuing a real estate investment project in Kinondoni District, Dar es Salaam.

In light of this, we kindly request your esteemed office to facilitate the registration of our company with the Tanzania Investment Centre and issue us a Certificate of Incentives, along with the associated benefits. These incentives are crucial to the successful implementation and growth of our investment.

We look forward to your favorable response.

Sincerely,

MICHAEL HERIEL KIDA
