RE: Application for Extension of Certificate of Incentives

Dear Sir/Madam,

We respectfully write to request an **extension of our Certificate of Incentive** to facilitate the completion of our importation process.

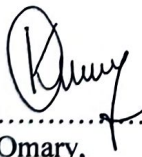

Due to unforeseen logistical challenges, vessel scheduling delays, and global supply chain disruptions, we were unable to finalize the shipment within the stipulated timeframe of the certificate. As a result, we kindly seek your approval for an extension in order to proceed smoothly with the importation process and ensure full compliance with TIC requirements.

This project represents a significant investment in Tanzania's agro-processing sector, with expected impact in industrial growth, employment generation, and value addition to agricultural produce. Extending the certificate will enable us to complete the project as planned and deliver on the anticipated socio-economic benefits.

We sincerely apologize for the delay and any inconvenience caused, and we greatly appreciate TIC's continued support and guidance.

Thank you for your kind consideration of our request.

Respectfully,

.....
Khalid Ally Omary,
Managing Director
