RE: APPLICATION FOR CERTIFICATE OF INCENTIVES

Dear Sir/Madam,

I am writing on behalf of Rhino max Company Limited, a company duly registered under the laws of the United Republic of Tanzania, BRELA no. 179651866, to apply for a **Certificate of Incentives** for our tourism investment project located in Marera Village, **Karatu District, Arusha Region**.

Our project involves the development and construction of eco-friendly **lodges and hotel facilities** aimed at enhancing tourism experiences in the northern tourism circuit, particularly for visitors to the Ngorongoro Conservation Area and the wider Serengeti ecosystem. The total estimated capital investment is estimated to be **\$500,000**, and the project is expected to create numerous direct employment opportunities for Tanzanians, alongside significant indirect economic benefits to the surrounding community.

We are committed to contributing positively to Tanzania's tourism sector through sustainable development, cultural preservation, and job creation. We believe this project qualifies for the incentives offered under the Tanzania Investment Act, 1997 section 17 & 18, and we kindly seek your support and facilitation through the issuance of a Certificate of Incentives.

Attached are the required documents in accordance with TIC guidelines. Should you require any further information or clarification, please feel free to contact us at your convenience.

Thank you for your consideration. We look forward to working closely with your office to realize this investment.

Yours faithfully,

ZHU HONGHAO

Director- Rhino Max Company Ltd
