On behalf of **ONE INTER TRAVEL LIMITED**, I am pleased to submit this application for the registration of our operations with the Tanzania Investment Centre (TIC) in order to qualify for the Certificate of Incentives under the Tanzania Investment Act.

ONE INTER TRAVEL LIMITED is a dynamic and forward-looking company engaged in the hospitality, tourism, and events management industry. Our operations span a broad range of services aimed at supporting the fast-growing meetings, incentives, conferences, and exhibitions (MICE) sector in Tanzania. Our scope of services includes:

- Provision of modern **event halls** and facilities for meetings, conferences, conventions, and trade shows.
- Supply of **conference devices and technologies** to ensure effective communication and high-quality events.
- **Rental car services** to facilitate the movement of delegates, tourists, and visitors to venues and destinations.
- Comprehensive **food and catering services** to meet diverse hospitality needs.
- **Organization, promotion, and management** of business and trade shows, conventions, conferences, and meetings.
- Provision of **travel-related reservation services**, including bookings for transportation, hotels, restaurants, car rentals, entertainment, and sports.

As part of our expansion strategy, we intend to invest in modern equipment, facilities, and technologies that will enhance the quality of services offered to both local and international clients. This investment will also create new job opportunities, build local expertise, and contribute to the socio-economic development of our country by positioning Tanzania as a leading destination for international conferences, events, and tourism.

Furthermore, our initiative directly supports the government's goals of boosting tourism, attracting foreign investment, and promoting business development through world-class conference and event infrastructure.

We therefore seek to benefit from the incentives offered by TIC to facilitate the smooth execution of this initiative, particularly in acquiring modern equipment, improving our service capacity, and ensuring alignment with international standards.

Enclosed with this application are the completed TIC forms and supporting documentation as required. We reaffirm our commitment to meeting all regulatory requirements and remain available to provide any further information or clarification as may be necessary.

We kindly look forward to your favorable consideration.

Looking forward to hearing from you,
