RE: APPLICATION FOR EXTENSION OF CERTIFICATE OF INCENTIVES

Dear Sir/Madam,

We are Matoborwa Co. Ltd, a company registered under the laws of the United Republic of Tanzania. We were granted a Certificate of Incentives by the Tanzania Investment Centre (TIC) on 10-June, 2022 for our Agro-Processing project.

We would like to formally request an extension of our Certificate of Incentives, as our project activities are ongoing and we remain fully committed to implementing the investment as approved. Please find attached the following supporting documents for your review:

1. A copy of the TIC Certificate of Incentives
2. The Progress Report with pictures of the project for the first three (3) years granted
3. The BRELA Search document

We kindly seek your consideration to extend the validity period of our Certificate to enable us to continue benefiting from the approved investment incentives. Thank you very much for your kind attention and continued support.

Yours faithfully,

Hasegawa Tatsuo
