**RE: APPLICATION FOR TIC CERTIFICATE OF INCENTIVE**

Dear Sir/ Madam,

We hereby submit our formal application for the Tanzania Investment Centre (TIC) Certificate of Incentives for our investment project to be undertaken by Mofat Company Ltd, a company incorporated under the Companies Act of Tanzania with registration number 136950134

Our project involves the operation and maintenance of public service buses, the procurement and installation of hardware for the Automatic Fare Collection (AFC) system, as well as fare collection operations along the truck corridor of the DART System Phase 2 (Mbagala corridor).

This investment is expected to contribute significantly to the enhancement of urban transit operations in Dar es Salaam and support the Government's vision for efficient, reliable, and sustainable public transportation. The project will involve a capital investment of approximately 73,339,352 USD, and is projected to create more than 755 direct employment opportunities across various disciplines.

We believe this project qualifies for the incentives under the TIC framework, and we hereby submit all the required application forms and supporting documentation for your review and consideration.

We are committed to operating in line with national laws and investment policies and to contributing to Tanzania's socio-economic development through innovation, job creation, and improved public services.

We kindly request your favorable consideration of our application and look forward to your guidance on the next steps. Please feel free to contact us for any further information or clarification.

Yours faithfully,

**Muhammad Abdallah Kassim**  
**Chief Executive Officer**
