RE: APPLICATION FOR CERTIFICATE OF INCENTIVES – MAZARO CLEAR SPRING INVESTMENT CO. LTD

Dear Sir/Madam,

We are writing on behalf of **Mazaro Clear Spring Investment Co. Ltd**, a newly registered Tanzanian company, to formally apply for a **Certificate of Incentives** in accordance with the Tanzania Investment Act, Cap. 38 (R.E 2022).

Our company is currently at the pre-operational stage and is committed to investing in the establishment of a modern facility for the **production and distribution of bottled natural spring water**. The project will be based in **Temeke kurasini ward**, and is expected to significantly contribute to local employment, access to safe drinking water, and national economic growth through value addition and regional trade.

We have already finalized our feasibility studies, business plan, and site acquisition processes. We are in the process of mobilizing resources and procuring production equipment to commence construction and installation. The total investment value of the project meets the required threshold for domestic investors as stipulated under the TIC framework.

In support of our application, we are pleased to submit the following documents:

1. Duly completed **Certificate of Incentives Application Form**
2. Certified copy of our **Certificate of Incorporation**
3. **Business Plan and Feasibility Study**
4. Investment capital schedule and financing sources
5. TIN and VAT registration certificates

6. Lease Agreement/title deed for the project site

We kindly request your office to process our application and grant us the Certificate of Incentives to facilitate the smooth take-off of our investment project. We are confident that this project aligns with the national industrialization and job creation agenda.
