Dear Sir/Madam,

RE: COVERING LETTER

TINBOT EAST AFRICA (T) LIMITED is a limited liability company incorporated in Tanzania on 10th June 2025. It is located in the Dar es Salaam Region, Tanzania.

The company plans to seek a certificate of incentives for its new project, which aims to expand its core business of electric motorcycle assembly. This initiative is expected to capitalize on the numerous opportunities in the transportation industry and support the growth of the United Republic of Tanzania (URT) economy.

We have decided to apply for an incentives certificate for our expansion project, which involves assembling more motorcycles. Along with this cover letter, we have attached the items listed below.

- (i) 1 copy of the project's Business Plan/Feasibility Study
- (ii) A duly filled TIC application form (registration form)

- (iii) A copy of the company's Memorandum and Articles of Association.
- (iv) A certified copy of the Certificate of Company Incorporation.
- (v) Evidence of sufficient financial capital available to implement the project.
- (vi) Evidence of land ownership for the location of the project (depending on the project, a certified lease agreement for a minimum of 3 years or a certified copy of the title deed).
- (vii) Company Board Resolution to register the project with TIC.

I thank you in advance,

For the Company
